# Leaving a gift in your Will to CancerCare

Whilst there is no obligation to leave a Gift in your Will to CancerCare when making use of our Will Writing Service, we would be extremely grateful if this is something you would consider.

Making or amending your Will to leave a gift to CancerCare is one of the kindest gestures you could make. Of course, we understand that when making a Will, the needs of your family and loved ones will always come first. But once you've looked after those closest to you, leaving a gift to CancerCare could make an amazing difference to the lives of many more people: people in our community whose lives are affected by cancer or bereavement.

We are so grateful for all gifts left to us in Wills. Whatever you're able to leave will help to ensure that anyone affected by cancer across North Lancashire & South Cumbria can access professional therapies, help and support, free of charge, now and in the future.

At CancerCare, we want to say thank you for every donation we receive. If you do decide to leave a gift in your Will for CancerCare, please do let us know your intentions by contacting us using the details overleaf. We would really love the opportunity to thank you personally.

"I can never repay CancerCare for everything they did for my sister and what they're now doing for me and my family.

It's so important that the CancerCare lifeline is there for many years to come to support anyone who needs their help, their therapies, and their friendship, and to never feel alone. That's why I've chosen to leave a gift in my Will to CancerCare."

# Making a Will

Making a Will is one of the most important things you can do to ensure that your wishes are carried out and that your loved ones are provided for in the future. In partnership with a number of local solicitors, we want to provide our supporters with the chance to write or amend a Will, whilst also supporting CancerCare's continuing work helping local families affected by cancer or bereavement.

## CancerCare Will Writing Service

We have partnered with local solicitors who have generously offered their services free of charge. Instead of paying the solicitor's fees, you are invited to make a suggested donation to CancerCare of:

**£150 for a basic single Will**  
**£200 for a pair of mirror Wills**

If you wish to discuss any complex matters, a fee can be agreed upon between yourself and your solicitor outside of the CancerCare Will Writing Service.
